

To pledge your support, please complete the following form:

Donor's Name: _____

Address: _____

Telephone: _____

Email: _____

Donor Recognition

Please indicate below how your contribution should be recognized. For donors who prefer not to use their name (and/or that of their spouse, etc.), you may choose one of the following: the name of another family member, ancestor, friend, co-worker, or any individual, business, institution or organization. If you prefer not to have any name recognized, please indicate "anonymous" below:

Armrest Plate

Name(s): _____

Seating Plan Plaque

Name(s): _____

Pledge

Please indicate the type/amount of your pledge below:

Auditorium Seat - \$500

Balcony Seat - \$1000

Individual Donation
(please indicate the amount below)

\$20 \$50 \$100 \$200

Other amount: _____

Signature: _____

Pledge Now - Contribute Later

We are now seeking pledges in support of the Garrick Theatre Capital Campaign. Since we anticipate that construction will proceed this summer, those offering pledges must make their contributions by December 19, 2008.

Value of Contribution

The Garrick Theatre Capital Campaign offers a unique opportunity for you to support an important social, cultural and economic development initiative in the Bonavista area, and to have your contribution permanently recognized in the theatre. It can also serve as an enduring memorial or tribute to someone of significance to you.

Your support is vital if we are to redevelop the Garrick into a superb facility. Although we anticipate securing \$1.4 million in funds from public agencies, we cannot proceed with the project until we raise our own 13% contribution from non-governmental sources. The public response to this campaign will therefore determine the future of the Garrick.

How to Pledge Your Support

If you wish to participate in this campaign and pledge your support for the Garrick Theatre, through either the Seat Purchase Plan (Auditorium or Balcony Seats) or with a donation in any amount, please complete the attached form and return it to:

Capital Campaign

An initiative of the Bonavista Historic Townscape Foundation and the Bonavista Historical Society in association with the Town of Bonavista and other community groups on the tip of the Bonavista Peninsula

www.garricktheatre.ca

Introduction

For nearly six decades the Garrick Theatre was a popular venue at Bonavista for film, and, occasionally, for live performances. People from as far away as King's Cove and Trinity attended regularly. The Garrick is currently undergoing an extensive redevelopment under the Bonavista Historic Townscape Management Plan to provide a new performing arts facility and cinema that will serve people on the tip of the Bonavista Peninsula many decades into the future.

Owned by the Bonavista Historical Society and operated and managed by the Bonavista Historic Townscape Foundation as a non-profit venture, the Garrick will offer live performances of all types, both local and visiting productions. In order to make the facility more financially viable - and to ensure that it is used for the maximum number of nights during the year - cinema will continue to play an important role, with current Newfoundland, Canadian and international films being offered on nights when live performances are not scheduled. The Town of Bonavista will assist the operation by providing an annual operating grant of \$20,000.

Background

Built by 19 year-old John Bradley with the assistance of his father, F. Gordon Bradley, in 1945 - during an era of relative prosperity in the local economy - the Garrick has been a popular entertainment venue for generations of area residents. Named after David Garrick, an 18th century pioneer of English theatre - and thus sharing the name with several other theatres in English-speaking countries, including the famous Garrick in London - this theatre was built with a traditional stage and proscenium to accommodate live theatre and music. However the immense popularity of film, especially in the early years, left little room for other events. In the 1980s and 1990s, the business waned as it did for most independent movie theatres throughout North America. The Garrick finally closed in 2000 and John Bradley and family donated it to the Bonavista Historical Society in 2003.

Redevelopment Project

Exterior restoration began in 2003 and included the construction of two additions to accommodate new washrooms, dressing rooms and a production area behind the stage. The interior redevelopment will require an upgrade of the stage, proscenium, auditorium, lobby and public washrooms, the installation of new mechanical and electrical systems, projection equipment, theatrical sound and lighting systems, wheelchair lifts, and new seats. The facility, including stage and dressing rooms, will be fully accessible. The budget for this extensive interior redevelopment is approximately \$1,610,000.

Garrick Theatre Capital Campaign

We anticipate securing the support of various public agencies for this project, but we must also raise a substantial portion of funds from other sources. Therefore, we are endeavouring to raise \$210,000, or approximately 13% of the total budget.

Seat Purchase Plan

You can contribute to this campaign and help to fund the redevelopment of the Garrick by pledging support as follows: through the "symbolic" purchase of either Auditorium or Balcony Seats under the Seat Purchase Plan, or with an individual donation in any amount. When redeveloped, the Garrick will have 200 good quality art deco style seats (in keeping with the art deco design of the interior). The seats will be supplied by the renowned Irwin Seating Company.

Auditorium Seats

For a tax deductible donation of \$500.00, you may purchase an Auditorium Seat. You may make the donation in your name (and/or that of your spouse, etc.), or in memory of a family member, ancestor, co-worker, or in the name of any other individual, business, institution or organization. We will install a small Brass Plate on the wooden armrest of each seat in the auditorium with the name(s) of the person(s), business, etc. to be recognized. The names will also appear on a Seating Plan Plaque permanently mounted in the lobby, to signify the extent of your contribution to the Garrick's redevelopment.

Balcony Seats

For a tax deductible contribution of \$1000.00, you may purchase a Balcony Seat. Again, the name(s) of the person(s) to be recognized will be inscribed on a Brass Plate attached to the wooden armrest of the seat, and also appear on the Seating Plan Plaque in the lobby.
